

Are You Equipped to Play?

Annexe 2 (a)

Il faut faire deux copies de la page suivante pour jouer au jeu de mémoire.

- Mélange les cartes et étale-les face contre table de manière à ne pas pouvoir les identifier.
- Le premier joueur retourne une carte de son choix et lit la phrase qui y est inscrite. Il fait de même en retournant une deuxième carte. Si les deux cartes sont en lien avec le même sport, il conserve la paire et rejoue. Si les deux cartes ne sont pas en lien avec le même sport, il les retourne face contre table. C'est alors au joueur suivant de jouer. Le joueur qui compte le plus de paires gagne la partie.
- Utilise le langage suivant pour jouer en anglais :

FUNCTIONAL LANGUAGE

- I start./You start.
- It's my turn./It's your turn.
- I think that these two will match!
- I agree./I disagree.
- It's a match!./It isn't a match.
- I win./You win.
